

The Governor's Youth Commission (GYC) is hosting Youth Leadership Day (YLD) May 7, 2014 at Grand Canyon University, 10:00 am – 2:30 pm. The goal of this day is to provide municipal youth advisory groups, organizational youth advisory groups and high school student groups from across the state to attend leadership development workshops, network with their peers and celebrate their accomplishments around Global Youth Service Day.

We will have a variety of workshops based on the following topics:

- Building Partnerships
- Youth and Adults Working Together
- Leadership Development
- Sustaining Efforts at Local Level
- Funding
- We are also open to suggestions

Last year, 168 youth from across the state attended a variety of leadership development workshops, and celebrated their accomplishments of Global Youth Service Day (GYSD). YLD focuses on developing youth passion and fostering a commitment to meaningful community work. YLD aims to encourage participants to identify a cause they are passionate about and provide them the necessary tools to lead their communities. Be it promoting service work, or developing social competency skills, our goal is to motivate Arizona's future leaders to recognize their inherent skills and assist them in positively contributing to the development of a stronger, safer and more prosperous state.

If you and your high school group are interested in attending this free event, please contact:
